

WHEN IT GETS DARK, TURN ON THE CHARM

LEGACY LANTERN

Now you can have romantic, flickering ambience at the flip of a switch. The Fire Stone Legacy Lantern sets up in minutes because there's no expensive gas piping to install. A one-pound LP gas tank hidden in the base gives you the beauty and charm of real gas light for up to 18 hours. Innovative elegance - just what you'd expect from Fire Stone.

Legacy Lantern Features

- Easy lighting with patented electric ignition
- Easy installation—sets up in minutes
- Burns up to 18 hours on a one-pound tanks
- UL listed. Safety tested for decks, carpeted patios—any surface.
