Solaire

Refrigerated Accessories

All Solaire Refrigerated Accessories share the same commercial quality features that allow you to use them with confidence outdoors. You should neither risk electrical shock nor assume needless liability by using a less expensive and less robust indoor refrigerator outdoors when proper equipment, like the Solaire Refrigerated Accessories, are available.

- Fully wrapped stainless steel cabinet
- Wrapped stainless steel door
- Sealed back
- 115 Volts; 60 cycle; 3 prong plug with Integrated ground fault circuit interrupter (GFCI). Doesn't rely on local electrician for electrical safety.
- Automatic defrost
- Adjustable thermostat
- 100% CFC Free
- Energy efficient design. Extra insulation to provide consistent cooling performance from 35° to 95° F
- Fan cooled compressor
- UL certified for outdoor use
- Solaire handles, brackets and logo to compliment your Solaire Grill.
