

The St. Vincent Island

This gorgeous island comes complete with a Legacy 24i Convection Grill for gourmet grilling and a gas side-burner for cooking up everything else for your outdoor feast. Plenty of table height seating gives four to six friends or family members room to eat, drink and be merry.

The St. Vincent Island Features

- Counter height of 36"
- Depth of island is 38" & overall width is 85"
- Built-in CD player/Radio and 2-speaker marine-grade sound system.
- Danby Glass Shelved stainless steel refrigerator.
- Stainless Steel Side Burner drop in.
- 24" single SS door.
- Fire Stone Legacy™ 24i Cook Number Grill.
- Shown with optional fiddle stick and toe kick

Cook Number Grill Features

- Cook number system cooks food precisely —automatically.
- Ten precision settings let you grill, sear, roast and bake.
- Exclusive shift searing system -shift down to sear meats like a fine restaurant. Shift up to grill, roast or bake.
- One dial does it all - 1 burner, 1 valve, 1 ignitor.
- Built-in temperature probe alerts you when food reaches desired temperature.
- Exclusive Air Rotoisserie™ System - convection currents superheat the air - moving the heat, not the meat.
- Convection technology - even heating - no hot and cold spots.
